

Get Sale Ready for a faster, smoother sale

Prepare your property upfront and move forward with confidence

**Ask us how to
get Sale Ready**

SOLD

Did you know the average property sale takes over 125 days to complete?

With Sale Ready, your key documents, searches and property information are prepared upfront, and conveyancing starts earlier – helping your sale move forward faster, with fewer delays and more confidence.

Faster completion times

Preparing key information earlier helps your sale progress faster – with completion possible up to **4-weeks sooner***.

Sale-ready from the start

With the key legal information and documents about your property prepared upfront, your sale is ready to progress as soon as a buyer is found.[^]

Build buyer confidence

Serious buyers move faster when they have the full picture upfront – giving them the confidence to commit. Keep your sale moving and reduce delays.

Supported by property specialists

Our experienced conveyancing team prepares your documentation and supports the legal process from day one, keeping everything organised and your move progressing smoothly.

Sale Ready helps your sale run more smoothly, with fewer surprises and less unnecessary bumps along the way.
